

# Activity 2: Exploring Industry Sectors and Job Roles

## Activity

In the following activity you will be asked to complete tasks which help you to answer the following questions:

- What types of industries are you interested in?
- What jobs can you get in these industries?

This activity is about discovering and sharing which industries and job roles you find most interesting and would like to learn more about.

## Helpful Links

These links will come in useful when for exploring different job roles and industry sectors:

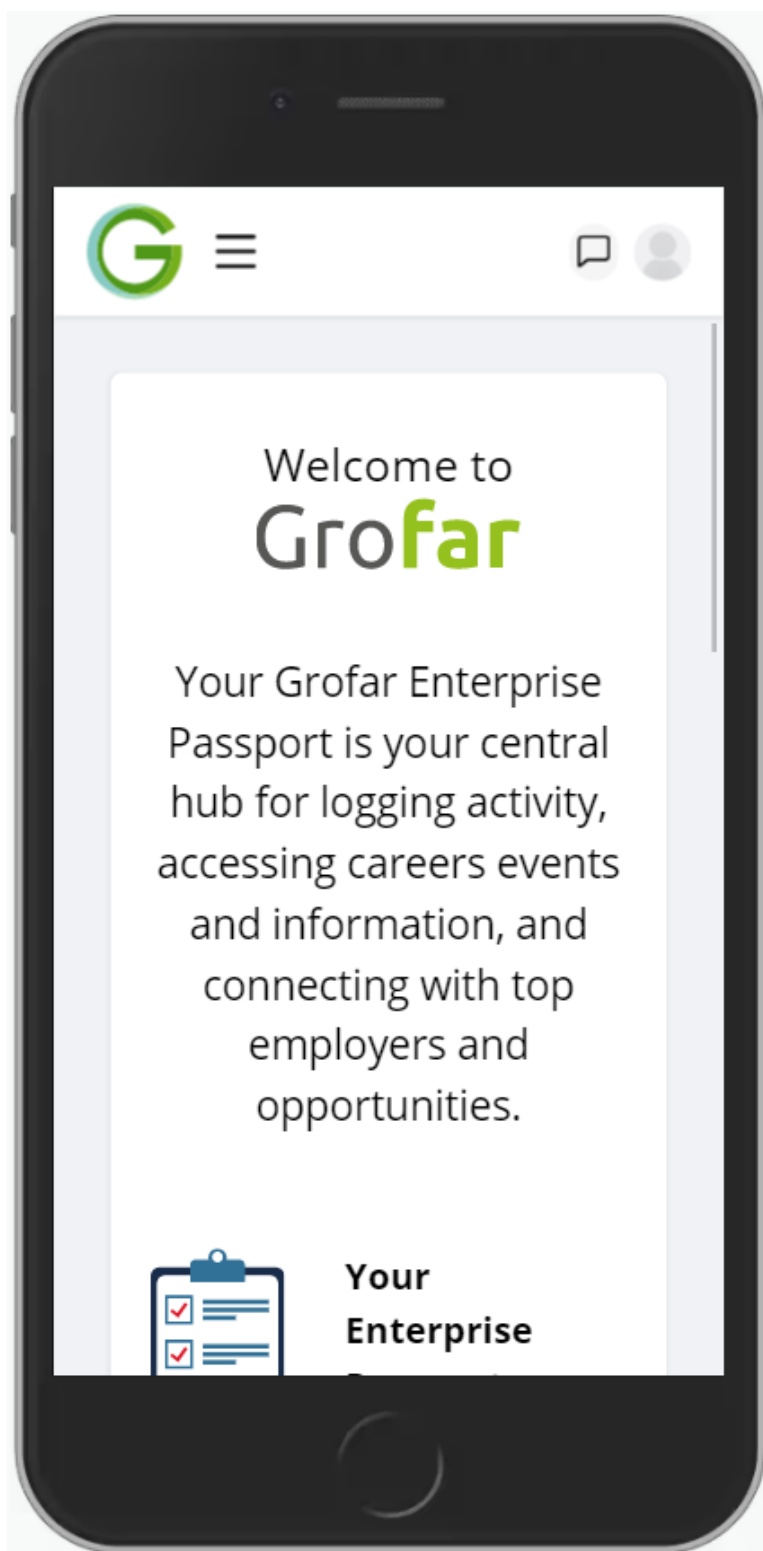

- [National Careers Service - Explore Careers](#)
- [icould - Explore Careers](#)
- [UCAS - Find careers ideas & explore jobs](#)

Complete the following steps in your Grofar Student Passport:

**Step 1 – Login to your digital Student Passport**

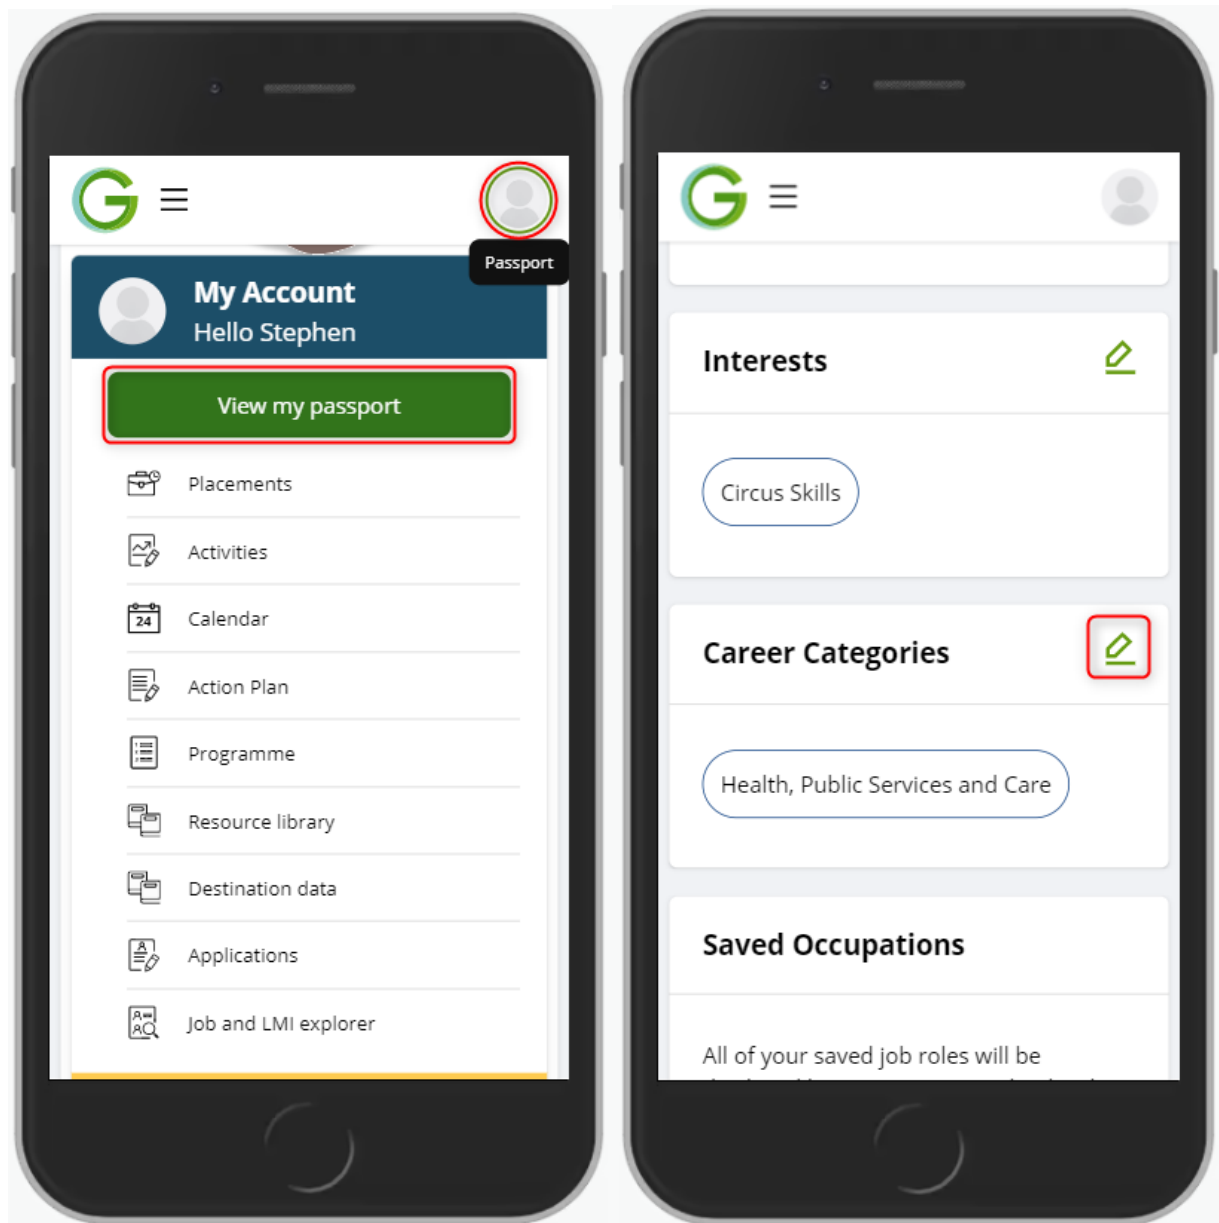

1. Log into Grofar using your registered email address.

You can login at: <https://auth.grofar.com/>

## Step 2 – Find the 'Career Categories' section

1. Once logged in, open the menu and select **View My Passport**
2. Go to the bottom of your passport to find the **Career Categories** section

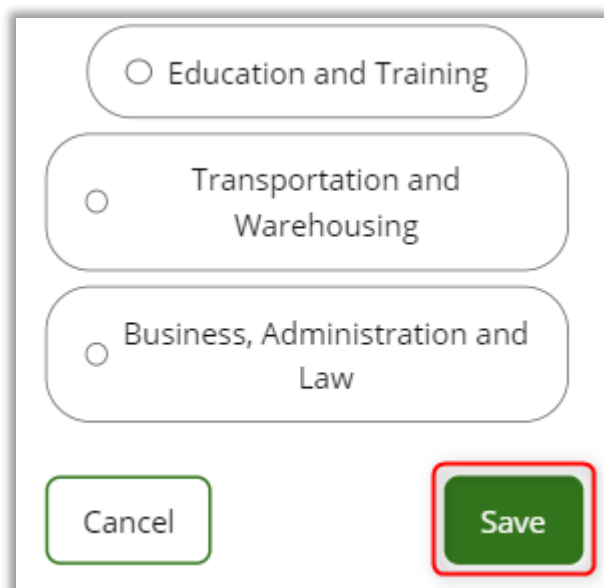

**i** **Job role:** relates to the job title and description of the job you might do when working for a business e.g. **Software Developer**

**Industry sector:** is a term for a group of businesses which are related based on their primary business activities (how they make the majority of their money). e.g. **manufacturing**

### Step 3 – Complete the ‘Career Categories’ section

1. Click on the green edit choices button (the pencil), this will take you to the **‘Edit Career Categories’** section.
2. Select each category that you are interested in and you would like to learn more about in future careers lessons.
3. Once you have selected all of the categories you are interested in, click the **‘SAVE’** button.
4. You will arrive back on your home page and the industry sectors you selected will now appear under your **‘Career Categories’** section.

Education and Training

Transportation and Warehousing

Business, Administration and Law

Step 5 - Complete the Industry Sectors and Job Roles exercise sheet

# Exercise: Exploring Industry Sectors and Job Roles

Share what you've learnt - please answer all of the questions below in the space provided.

1. List the top industry sectors which you'd like to learn more about then explain why each of these sectors interests you.

INDUSTRY SECTOR	WHY IT'S OF INTEREST TO ME

2. List the job roles which you'd like to learn more about. Then explain why each of these job roles interest you.

JOB ROLE	WHY IT'S OF INTEREST TO ME
