

# Activity 2: Exploring Industry Sectors & Job Roles

## Activity

In the following activity you will be asked to complete tasks which help you to answer the following questions:

- What types of industries are you interested in?
- What jobs can you get in these industries?

This activity is about discovering and sharing which industries and job roles you find most interesting and would like to learn more about.

## Helpful Links

These links will come in useful when for exploring different Job Roles and Industry Sectors:

Complete the following steps in your Grofar Careers Passport:

**Step 1 - Login to your digital Careers Passport**

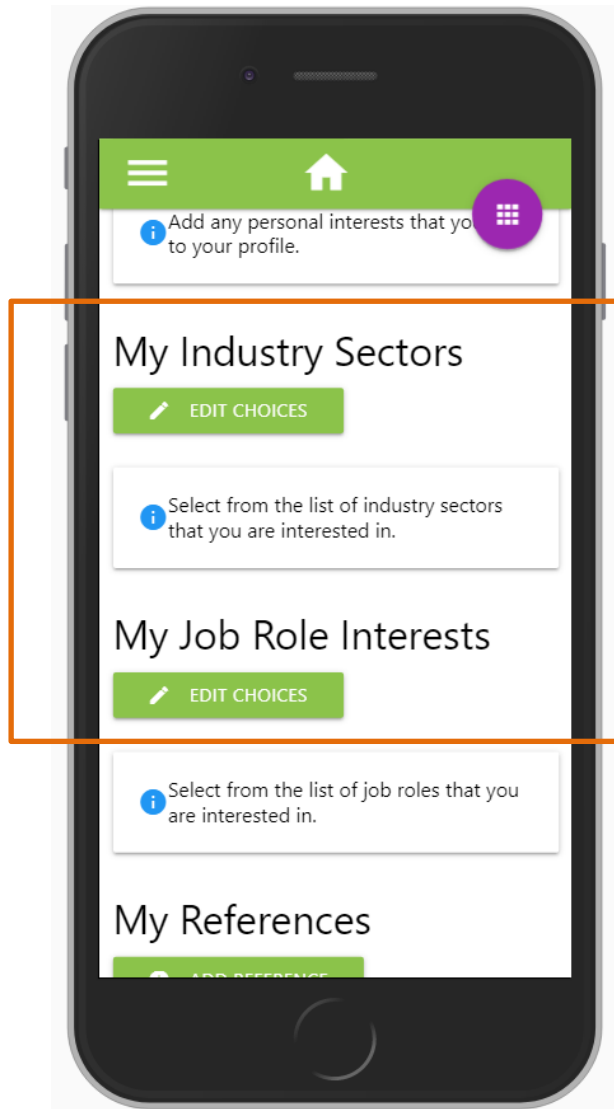

1. Log into Grofar using your registered email address.

You can login at: <https://auth.grofar.com/>

## Step 2 – Find the 'Job Roles' & 'Industry Sectors' sections

1. Once logged in, scroll down to the bottom of your Home page until you see the sections for '**Job Roles**' and '**Industry Sectors.**'
2. In this activity you will complete these two sections.

**Job Role:** relates to the job title and description of the job you might do when working for a business e.g. **Software Developer**

**Industry Sector:** is a term for a group of businesses which are related based on their primary business activities (how they make the majority of their money). e.g. **Manufacturing**

### Step 3 – Complete the ‘Industry Sectors’ section

1. Click on the green edit choices button  next to **‘Industry Sectors’**, this will take you to the **‘Edit Industry Sectors’** section.
2. Tick the boxes of each Industry Sector that you are interested in and you’d like to learn more about in future careers lessons.
3. Once you have selected all of the sectors you are interested in, click the **‘SAVE’** button.
